## ProFM in Action. Here's What People are Saying:

*Most facility organizations aren't prepared to determine their future needs. They have an existing workforce and a future need, and there's a gap in between that. ProFM can fill that gap.*

**Stormy Friday, MPA,**  
Hon. FMA, IFMA Fellow  
President, The Friday Group

*ProFM is great whether you are just getting into Facilities Management or a seasoned veteran. The information is relevant for today's industry and easy to understand and apply in the field.*

**Johnathon Caradonna, ProFM**  
Facilities Specialist,  
NuVasive

*FMs can only dedicate a limited amount of time and funding to training and credentials. ProFM covers all the subject matter of up to 10 other FM credentials combined.*

**John Hajduk, ProFM**  
Vice President, Facilities  
Services, Sodexo

## The ProFM® Credential Program

Designed to fit impactful FM education into your busy schedule, this online training and assessment program includes everything you need to earn the ProFM credential. On average, ProFM candidates complete the program within 60 hours.

**Reading Materials**, available online via an embedded e-reader, teach the entire ProFM Body of Knowledge. Printed versions of the reading materials are also available.

**Online Study Tools** help to identify your knowledge gaps, build a study plan, and reinforce topics through quizzes and flashcards.

**Online Final Assessment**, available 24/7, tests your knowledge against the ProFM standard. Pass the 2-part assessment to earn the ProFM credential and receive your certificate.

**Your Investment: US\$1695\*** for the self-study program including online reading materials, study tools, and the ProFM final assessment. Printed reading materials are available for an additional US\$50 (plus shipping). Volume savings on 2+ programs.

*\*Plus applicable taxes.*

## ProFM. Three Ways to Learn – It's Your Choice.

### Self-Study Program

Have a busy or unpredictable schedule? Earn the ProFM at your own pace, where and when it's convenient, with reading materials, online study tools and the online final assessment.

Learn More at [www.ProFMi.org/self-study](http://www.ProFMi.org/self-study)

### Instructor-Led Courses

Prefer class discussion and expert support? Enjoy the guidance of an experienced FM instructor together with peer discussion, reading materials, online study tools and the online final assessment.

Learn More at [www.ProFMi.org/find-a-course](http://www.ProFMi.org/find-a-course)

### Corporate/Group Training

Have a group of two or more? We will help you create a customized training program for local or geographically dispersed teams based on the self-study or instructor-led learning option.
