ASEM's CAEM Credential Now Available Via Micro-Credentialing

The American Society for Engineering Management (ASEM), a ProFM Industry Partner, is now offering the Certified Association in Engineering Management (CAEM) credential. This credential is designed for young technical professionals preparing for early technical management or supervisory assignments.

The CAEM covers 11 domains and can be taken as one exam or in 4 sections or micro-credentials. For complete details including eligibility requirements and renewal, visit <https://www.asem.org/CAEM/>.

The complex block is a promotional graphic for the CAEM 2020 credential. It features a light blue background with a subtle grid pattern. At the top center is the 'CAEM 2020' logo, where 'CAEM' is in blue and '2020' is in a gold, metallic-looking font. Below the logo is a white rectangular box containing the title 'Certified Associate in Engineering Management' in bold blue text. To the left of this box is a list of six bullet points, each starting with a gold diamond icon. To the right of the white box is a photograph of a person's hands holding a white mug with the text 'LIKE A BOSS' written on it in black. At the bottom of the graphic is a dark red rounded rectangle containing the URL 'https://www.asem.org/CAEM/' in white text. In the bottom right corner, there is a small line of text: 'Photo by Brooke Lark on Unsplash'.
